Operation system of waste water treatment plant

Start the wastewater treatment system:

4.2.1 UASB equipment:

To adapt the aerobic sludge to the wastewater from the factory, keep the heavy portion (with the high depositing speed) and wash away the light portion of sludge by the organic load [kgCOD(BOD)/m^3] and the hydraulic load (m^3 of sewage/m^3.ngđ) or proper rising speed of water.

4.2.1.1 Steps to operate:

4.2.1.1.1 The smooth sludge washed out from UASB shouldn't circulate.

4.2.1.1.2 When the COD concentration > 3,000 mgO_2/l, it should be dilute the input water or circulate wastewater after treating.

4.2.1.1.3 The organic load basing on the capacity of the UASB tank [kg COD(BOD)/m^3.ngđ] should increase gradually right after the effectiveness of treatment reaches at least 80%. By this way, the hydraulic load in the sludge [kgCOD(BOD)/kg VSS.ngđ] will rise up so quickly.

4.2.1.2 The 2 ways to increase the load:

4.2.1.2.1 To remain the COD concentration and double the flow rate (reduce the time for retention of wastewater to a half).

4.2.1.2.2 To double the concentration and remain the flow rate (time for retention of sewage is consistent).

4.2.1.3 Environmental elements:

4.2.1.3.1 Temperature

The process of granulation will be best at 30-35^{0}C

4.2.1.3.2 pH

The pH value should be higher 6.2 and lower 8.5.

4.2.1.3.3 Nutrients and minerals

Vital nutrients N, P, S and minerals necessary for the growth of microorganisms should be present in the environment.

4.2.2 Aeronten equipment:

Charge 2 m^2 microorganic sludge in to the tank, aerate and pump sewage diluted at COD concentration of 500-1000 mg/l. Supplement the nutrients and minerals into the aeration tank with the suitable rate to have the organic load of 0.2-0.3 $kgCOD/m^3$.ngđ and time for sewage retention from 8-12 hrs.

4.2.2.1 The ordinary operation period:

4.2.2.1.1 The regulation tank

- Check the operation of the float in the tank.
- Sample to verify the pH value 2 times /day.

4.2.2.1.2 The anaerobic tank

- Observe the sludge washing away if any.
- Examine the pH concentration after wastewater pours into the UASB.

4.2.2.1.3 The aeration tank

- Adjust the sedimentation time to be proper about 15-20 minutes before pumping treated sewage out.
- Ensure the Oxy concentration in the tank should be higher 2 mg/l..

4.2.2.1.4 To mix used chemicals

NaOH solution: concentration of 5 %

Nutrient solution: concentration of 5 %

HCl solution: concentration of 1 %

Chlorine solution: concentration of 0.5 %

4.2.2.1.5 To verify the control power.

4.2.2.1.6 Check all valves on the pipes to ensure that they are in proper positions and ready to work.

4.2.3 Steps of operation

4.2.3.1 Turn the aeration machine No. 1, 2 to "automatic" mode.

4.2.3.2 Turn the supplying pump No. 1 to "automatic" mode.

4.2.3.3 Turn the nutrient solution pump No.1, 2 "automatic" mode.

4.2.3.4 It is possible to turn the NaOH or HCl pump to "automatic" mode

depending on the pH value of waste water.

4.2.3.5 Turn the supplying pump No. 2 and Chlorine pump to "automatic"

mode.

Fire fighting process:

Responsibility: Fire guard, security guard.|

- When there is an alarm, rush toward scene following guidance lights.

- Perform: if cause by electric, turn off electric switch; use on-hand equipments to fight fire, phone to Fire Prevention and Fire Protection Agency: 0650.822208 – 824528, or dial 114.

Use fire extinguisher to continuously blow at fire scene until empty or the fire is finished.

Spread hose around nearest fire hydrant, operate fire pump to use hose fights fire.

Make safe space to separate fire scene and around to prevent propagation.

Move goods and property out of area, make space for fire truck.

Secure goods and property when moving; keep the scene for investigation by Police of Fire Prevention and Fire Protection.

In working time:

When there is an alarm: Security guard identifies fire location, contacts immediately the location, identifies cause of fire, start fire fighting.

Small fire: employee in the area use fire extinguisher to fight fire.

Big fire: immediate escape area via nearest exit, avoid trampling, gather at required location, check attendance and join fighting fire.

Always keep space for fire truck in the area.

CERTIFICATE OF GOOD MANUFACTURING PRACTICE

Issue Date: October 28, 2009

Issued following an inspection in accordance with paragraph 3 of Article 57 of the Pharmaceutical Affairs Law and relevant Regulations of the Republic of China.

The competent authority of the Republic of China confirms the following:

The manufacturer: STADA-VIETNAM Joint Venture Co., Ltd.
Site address: No.40, Tu Do Boulevard, Viet Nam – Singapore Industrial Zone Thuan An District Binh Duong Province, Vietnam

is the manufacturer of pharmaceutical products for human use that has been inspected with the following pharmaceutical dosage form: capsule (Omeprazole 20mg), film coated tablet (Ibuprofen 600mg), suspension (Calcium STADA Vitamin D).

From the knowledge gained during inspection performed by the Department of Health, Taiwan, R.O.C. on December 2-4, 2008, it is considered that the manufacturer complies with the Pharmaceutical Inspection Convention/Co-operation Scheme (PIC/S) Guide to Good Manufacturing Practice (GMP) for medicinal products, which encompasses all the recommendations of the World Health Organization (WHO) in relation to GMP.

This certificate takes effect from August 10, 2009, and unless revoked shall expire on December 4, 2011.

COMPANY CHARTER

Stada – VN Joint Venture Company Limited

22. SEAL

The Company will have an official seal, in a form approved and adopted by the Board and in accordance with Vietnamese Law, which will bear the name of the Company and will be used in the execution of important documents of the Company, as determined by the Board.

The official seal will be kept with the Register.

To be validly affixed to a document, the official seal must be accompanied by the signature of the General Director or a person specifically authorised by the General Director for that purpose.

23. ENVIRONMENT

In carrying out the Project (both during the course of construction of any facilities and during their operating lifetime), the Company will have regard to the surrounding environment and will seek and will implement means to protect the natural environment to the extent to which it is practical to do so, having regard to the nature of the Project.

24. FURTHER PROVISIONS

All matters which are not, or not adequately, regulated in this Charter may be regulated by agreement of the Parties or regulated in the Joint Venture Contract.

25. AMENDMENTS TO THIS CHARTER

This Charter may only be amended by resolutions of the Board. If the MPI's approval of any amendment is required, the amendment does not become effective until that approval is obtained.

26. EFFECTIVE DATE

This Charter becomes effective as from the date of issue of the Investment Licence. This Charter is to be signed in the Vietnamese and English languages, both language versions having equal validity.

SIGNED BY THE PARTIES ON THIS 27th DAY OF JUNE IN 2002 IN THREE ORIGINAL COPIES IN BOTH ENGLISH AND VIETNAMESE.

VIETNAMESE PARTY	**FOREIGN PARTY**
By its authorised representative	By its authorised representative
Mr Ong Van Dung	Mr Choo Yan Ho
	For and on behalf of ... PHARMACEUTICALS (ASIA) LIMITED
	Authorized Sig...

If the Company is to be liquidated, the liquidation will be carried out by a Liquidation Committee, established by, and having the responsibilities designated to it, by the Board, in accordance with the Foreign Investment Legislation. The Liquidation Committee will be established within 30 days of the decision to liquidate and the operating term of the Liquidation Committee must not exceed 12 months from the date of its establishment.

The Liquidation Committee will consist of at least three members and the expenses of the Liquidation Committee and the liquidation will be borne by the Company and payment of those expenses will take priority over other liabilities of the Company.

The Liquidation will be carried out in accordance with the Foreign Investment Legislation.

If a Party has not contributed its share of Legal Capital in full, that Party will be required to pay up the uncontributed amount in cash (regardless of the stated form for contribution of that Legal Capital).

19. LIQUIDATION REPORTING REQUIREMENTS

The Liquidation Committee will inform the Investment Licence issuing body of the date on which it is established and starts operating. From that day, the Liquidation Committee represents the Company before the courts and administrative organisations in all matters concerning the liquidation.

This Charter, as amended (if any amendments have been made), remains in force and the Company remains in existence until the liquidation account has been approved, the Liquidation Committee has been given full release and the Ministry of Planning and Investment has cancelled the Investment Licence.

20. TERMINATION OF OPERATIONS AND DISTRIBUTION OF ASSETS

All operations of the Company, including the operations of any offices, facilities, branches or representative offices, must be terminated upon final dissolution of the Company and cancellation of the Investment Licence, as provided for in Decree 24.

After payment of all liabilities of the Company, the balance (the "**Balance**"), if any, is available for distribution to the Parties. Subject to any agreement between the Parties, the Parties are to share the Balance in the same proportion as their then entitlement to profits.

In accordance with the Law, but subject to this Charter, a Party's liability to meet any part of the losses of the Company is limited to its Legal Capital contributions already made.

21. INVESTMENT

As a Vietnamese economic organisation, the Company may invest in other economic organisations as permitted by Vietnamese Law. That investment must comply with the objective of the Company as set out in this Charter. No investment of that nature is permitted until all necessary Government approvals have been obtained.

Vietnamese Party - 50%

Foreign Party - 50%

Where the required percentage contribution to Legal Capital as described in this Charter is adjusted to a different percentage proportion, the profit distribution proportion will be similarly adjusted.

In determining the level of after tax profits to be distributed to the Parties (being the profits after the Company has net all of its financial obligations to the Government) (the "Dividend"), the Board must retain sufficient profits so that the Company can:

(a) meet the fund requirements agreed by the Parties;

(b) meet the capital repayment terms of any Loan Capital financing; and

(c) if sufficient provision has not been made for working capital requirements, meet anticipated expenditure requirements during the forthcoming year.

The Board will then advise the Parties as to the level of the Dividend and the Board will authorise the General Director to transfer each Party's respective share of the Dividend to an account which each Party designates.

Where cash flow is adequate, the Parties may request the Board to make distributions of profits (after properly providing for all anticipated expenses, taxes, reserve and other fund requirements and royalties) on an interim basis in accordance with Vietnamese Law.

16. INSURANCE

Based on recommendations by the General Director, the Board will determine appropriate insurers to be used by the Company. The Company will then obtain and maintain insurance to cover the risks which the General Director considers appropriate, but to include reasonable cover for personal accident, loss or damage to property and general public liability insurance.

17. USE OF ASSETS

The Company will use its assets in conformity with its objectives as set out in this Charter. A Party does not have any right, title or interest in or to any individual asset of the Company but only has an interest in the Company as a whole, subject to the terms of this Charter.

18. LIQUIDATION

By unanimous agreement and subject to the approval of the MPI, the Parties may agree to dissolve or liquidate (together "**liquidate**") the Company. The Company may also be liquidated in accordance with the Law or the Joint Venture Contract.

13. BANKING

The Company will maintain its own bank accounts in United States Dollars and Vietnamese Dong with a bank or banks in accordance with the Vietnamese Law. The Board will appoint the Company's main bank.

The Board may apply to the State Bank of Vietnam for approval to open and, if approved, may open bank accounts outside Vietnam which the Board considers are required for the operation of the Company.

14. ACCOUNTING AND REPORTING REQUIREMENTS

The Company operates on the principle of a self accounting, independent business, responsible for its profits and losses.

Books of account will be maintained by the Company and will be based on the Vietnamese Accounting System.

Unless otherwise determined by the Parties, the financial year of the Company commences on 1 January in each calendar year and ends on 31 December in the same calendar year. If the Parties so otherwise agree, the Board will apply to the Ministry of Finance for adoption of an alternate financial year and, if the Ministry of Finance approves that application, the financial year of the Company will be the financial year so approved.

At the end of each financial year of the Company, a set of financial statements for the Company and a report of the Board and any other relevant financial statements will be prepared in accordance with the Foreign Investment Legislation and international accounting standards and will be approved by a resolution of the Board and signed by the Chairman.

The financial statements and report of the Board must be audited annually. The auditor will be appointed by the Board and must be an international audit firm licensed to operate in Vietnam. If required, the financial statements and the report of the Board will also be submitted to the auditor appointed by the Ministry of Finance to audit the financial statements and report.

The audited financial statements of the Company and the report of the Board will be provided to each Party and lodged with the relevant Government authorities within the time limits prescribed by the Vietnamese Law.

15. FINANCIAL OBLIGATIONS, FUNDS AND PROFITS

The Company will fulfil all financial obligations to the Government, in accordance with Vietnamese Law.

With the approval of the Parties, the Board may create such funds, for the purposes of the Company, which, in its direction, the Board sees fit, in accordance with the Vietnamese Law.

The Parties are entitled to share the profits of the Company in the same proportion as their required percentage contribution to the Legal Capital, as described in this Charter, being:

The first deputy general director assists the General Director to fulfil his responsibilities. All other deputy general directors are responsible for the areas of their appointment, as determined by the Board.

All deputy general directors (including the first deputy general director) report to the General Director on their particular areas of responsibility.

All deputy general directors have full power and authority to carry our their respective responsibilities provided that none of them have authority to represent or bind the Company or enter into any contract on behalf of the Company unless specifically authorised to do so by the Board or by the General Director.

Unless specifically prohibited by the Board, the General Director or, with the specific approval of the Board or of the General Director, any deputy general director may delegate all or any part of his responsibilities or authority to another party and may subsequently revoke that delegation. In addition, the Board or the General Director may revoke that delegation. The delegations automatically revoked if the person ceases to have the required responsibility or authority. A person remains accountable to the Board and to the General Director for any delegation of responsibility or authority.

Having regard to the business requirements of the Company, the Board may from time to time delegate to the General Director or to any deputy general director any other responsibility or authority which the Board determines. That delegation may subsequently be revoked by the Board.

11. EMPLOYEES

The General Director, on the basis of consultations with the first deputy general director, and assisted by the first deputy general director and the personnel manager, is to formulate a plan for matters concerning the recruitment, employment, dismissal, wages, labour insurance, welfare fund benefits, rewards and discipline of workers and staff members of the Company in accordance with modern management standards, practices, policies and Vietnamese Laws.

The remuneration, benefits and other treatment of personnel is to be in accordance with Vietnamese Laws, and the Company is to provide remuneration, benefits and other treatment that matches the jobs, knowledge, experience and contributions of that personnel to the Company.

Based on the professional and technical requirements of the Company and appropriate timing, the Company is to introduce training programs for the benefit of its employees.

12. USE OF MATERIALS

It is contemplated by the Parties that the raw materials required by the Company for production of the Joint Venture Products will be purchased within and outside Vietnam as determined by the General Director in accordance with the relevant budget.

LT

The General Director and deputy general directors may, but need not be, Board Members. If the General Director is not a member of the Board, no deputy general director may be a member of the Board. If the General Director is not a Board Member, he may nevertheless be invited to attend meetings of the Board, but has no right to vote on any resolution put at those meetings unless he is also acting, at that meeting, as the authorised representative of one of the Board Members.

10. DIRECTORS' RESPONSIBILITIES AND AUTHORITY

The individual responsibilities and authorities of the General Director and each deputy general director (including the first deputy general director) are to be determined by the Board, having regard to this Charter. By resolution of the Board, the Board may increase or restrict those responsibilities and authorities.

The General Director and first deputy general director are responsible before the Board and report to the Board (through the General Director) on the operations of the Company.

The General Director has overall responsibility for the day to day management of the Company including, but not limited to, the following specific responsibilities:

(a) implementing Board decisions;

(b) implementing the business plans of the Company adopted by the Board;

(c) approving contracts to be entered into by the Company and the subsequent implementation of those contracts;

(d) coordinating the activities of the Company;

(e) preparing the Company's annual business plans, expenditure programs and budgets for submission to the Board;

(f) preparing the annual financial statements and report on the operations of the Company for submission to the Board;

(g) negotiating labour contracts and the collective labour agreement on behalf of the Company;

(h) representing the Company before Vietnamese law courts and Vietnamese government authorities;

(i) recommending to the Board, candidates for the positions of deputy general director (other than the first deputy general director); and

(j) maintaining the Register and the official seal of the Company.

In carrying out his responsibilities, the General Director has full power and authority to represent and bind the Company.

On a vote of the Board, each Board Member has one vote. Except in relation to the matters required by the Foreign Investment Legislation to be decided by a unanimous decision of the Board Members present at any meeting or any other majority, all other decisions of the Board are valid and binding on the Company if they are approved by a simple majority of the Board Members present in person or by representative at a meeting of the Board. Where the Board is deadlocked the Chairman has a casting vote.

The Board may also take decisions without holding a meeting if all of the Board Members approve that decision and sign a written resolution specifying the decision taken.

A Board Member will be indemnified by the Company from any liability incurred by him in his capacity as a Board Member provided that he has acted within his authority in good faith and for the intended benefit of the Company.

9. DIRECTORS

Subject to this Charter, the Board will appoint a General Director and all deputy general directors and all other senior management positions which the Board determines from time to time, having regard to the requirements of the Company, provided that there will always be a first Deputy General Director.

The General Director and deputy general director shall be appointed as follows throughout the Term:

(i) the first General Director shall be nominated by the Vietnamese Party and shall be appointed for a period of 1 year;

(ii) the Vietnamese Party has the right to nominate subsequent appointments of the General Director provided the Annual Performance Targets for the previous period have been achieved. If the targets are not achieved the right to nominate the General Director for the subsequent period shall rest with the Foreign Party and thereafter the right to nominate shall rotate on an annual basis. The appointment shall be for a period of 1 year;

(iii) the first Deputy General Director is always to be nominated by the Party who did not nominate the General Director and the appointment shall be a period of 1 year.

The General Director is to nominate all other deputy General Directors and other senior management positions as required by the Board.

Where a Party is required to nominate a person for appointment as General Director or first deputy general director (as the case may be), that Party will be required to make the nominations within 14 days of being requested to do so by the Board. If the nomination is not accepted by the Board, the Party will be required to nominate another person or persons, within a period of 14 days of being given written notice of non-acceptance by the Board. Where a Party fails to nominate a person or persons within the period required, the Board may appoint any person who it considers appropriate.

Thereafter the Parties shall appoint the Chairman in three year rotations commencing with the Vietnamese Party.

Where the person elected as Chairman of the Board holds that ceases to hold that office prior to the expiry of the term, whether the Parties unanimously agree to terminate his appointment or if the person ceases to be a Board Member, the Party then having the right of appointment of the Chairman will appoint a replacement Chairman within 21 days of any vacancy occurring.

7. BOARD MEETINGS

The Board will meet as often as business requires, but at least once a year, and any Board meeting may be convened by the Chairman or any two Board Members on at least 21 days' prior written notice to each Board Member, the General Director and each Party, by facsimile or telex with confirmation by registered air mail. Any extraordinary meeting may be convened at the request of the Chairman, or of at least half of the Board Members or of the General Director or the first Deputy General Director. Each notice will include the place, date and time of the meeting and an agenda for the meeting. The notice period may be waived if all Board Members agree in writing. The meetings of the Board will be held in Hi Chi Minh City or another place which is mutually agreed upon by all of the Board Members.

Meetings of the Board will be chaired by the Chairman or, if the Chairman is not present by the vice chairman or, if no vice chairman is present, by a Board Member elected for that purpose from amongst those present.

The quorum for any meeting of the Board will be the presence throughout that meeting in person or by representative of at least half of the Board Members. By written notice to the Company, a Board Member will be entitled to appoint a representative to attend at any meeting of the Board and to vote on that Board Member's behalf. A Board Member appointing a representative will be regarded as being present at a meeting of the Board, if his representative attends that meeting. A Board Member or his representative may also represent other Board Members at any meeting of the Board and will be entitled to a separate vote on behalf of each Board Member he represents.

The Parties may at any time meet and agree matters relating to the operation of the Company. Further, where any decision is required to be taken by the Board, the Parties may make the decision in accordance with this Charter in the Board's place. Any agreement of the Parties made in accordance with this Charter is binding on the Board and the Company.

At any formal meeting of the Parties or the Board, minutes will be kept of the proceedings and of the decisions taken by the meeting. The minutes will be signed by two persons who attend that meeting, one nominated by the Vietnamese Party and one nominated by the Foreign Party. Once signed, those minutes constitute binding evidence of the decisions of that meeting.

8. MANAGEMENT AUTHORITY AND DECISION MAKING

The Board is responsible to the Parties for the overall management of the Company and has full power and authority to make decisions about the management of the Company.

(c) A Party will notify the Company of any change in its address and as long as notification has not been received by the Company, all notices may be legally sent to the latest address shown in the Register book.

5.5 Increasing Legal Capital

Subject to meeting all legal requirements set out in Decree 24, the Legal Capital of the Company may be increased at any time by agreement between the Parties. Profits of the Company may be capitalised for this purpose.

5.6 Loan Capital

The Company may borrow Loan Capital as provided for in the Joint Venture Contract and subject to conformity with the provisions of Vietnamese Law.

5.7 Transfer of Legal Capital

Any transfer of a Party's Legal Capital is subject to the regulations of the Foreign Investment Legislation and the provisions set out in the Joint Venture Contract.

6. BOARD STRUCTURE

There will be a Board consisting of 4 Board Members established and operating in accordance with this Charter. The first Chairman of the Board will be appointed by the Foreign Party.

The Parties are entitled to appoint Board Members as follows;

(a) Vietnamese Party – 2 Board Members
(b) Foreign Party – 2 Board Members

The initial Board will be appointed by the Parties immediately following the registration of this Charter. The name and address of each Board Member will be kept in the Register. A Board Member must notify the Company of any change of address.

The initial Board Members will be appointed by the Parties as prescribed above for a period of five years. Subsequent Board Members will be appointed for three years. A Board member may be appointed for a maximum of two consecutive terms. The Party which appoints a particular Board Member is entitled to replace that Board Member at any time, by seven day's prior written notice to the Company with a copy to the other Party.

A person automatically ceases to be a Board Member if that person resigns by giving 30 days' written notice to the Company, dies, becomes bankrupt, is sentenced to a term of imprisonment or becomes unable to perform his duties for a period of more than six months due to illness. The Party which appointed that person will immediately appoint a replacement.

The Chairman of the Board will be a Board Member appointed to this position by the Parties. The Chairman of the Board will be appointed by the Foreign Party for the first five years.
